General Updates

Any updates or Items to Share from AWG Participants?

Review Minutes / Actions from AWG #31

[Working Session #31 Summary Notes](#)

Actions: Only one...

ACTION ITEM: AWG Facilitation Team to develop a plan to schedule and deliver the three workshops above during Q1/Q2 2022. – **LTSA**

AWG Housekeeping

Activity Summary Since AWG #31 – Workshops & Resources

1. ParcelMap BC Utilities Focus Group: Discovery Workshop (Held December 15th 2021)

Discovery exercise into the areas where property & parcel information are used across the Utilities sector in BC, including 4 Discovery exercises (Users / Workflows / Data / Integrations) plus Organizational & Program Dependencies

Attendees: 26 Attendees

Outcomes: [Presentation](#) and [Video](#) available on the LTSA's [Adoption Resources & Tools webpage](#)

Follow-up: Survey soliciting interest in further transition support – only 3 replies...

2. Highways & Roads in ParcelMap BC: Virtual Café Webinar (Held February 3rd 2022)

Presentation on how and when Highways and Roads are mapped in ParcelMap BC, including insights into special projects improving completeness for records before ParcelMap BC was operational

Attendees: 105 Attendees

Outcomes: [Presentation](#) and [Video](#) available on the LTSA's [Adoption Resources & Tools webpage](#)

AWG Housekeeping

Activity Summary Since AWG #31 – Workshops & Resources

3. Unpacking Temporal Changes in ParcelMap BC: Virtual Café Webinar (Held March 2nd 2022)

Visualizing changes in ParcelMap BC and the differences between cadastral updates versus spatial improvements – a common area of confusion - are explored. In addition, insight on assessment and planning as well as how to influence future areas of spatial improvement are covered.

Attendees: 23 Attendees

Outcomes: [Presentation](#) and [Video](#) available on the LTSA's [Adoption Resources & Tools webpage](#)

4. Interest Parcels in ParcelMap BC: Virtual Café Webinar (Scheduled April 6th 2022)

Presentation on how and when Interest Parcels are mapped in ParcelMap BC, including insights into special projects improving completeness for records before ParcelMap BC was operational

Attendees: Over 70 Signed-up so far...

Follow-up: Sign up here!!!!

AWG Housekeeping

Sub-Group Updates:

Team Alignment

Engaged Esri Canada to support GeoBC with ABMS alignment pilot & other province-wide scope operationalization

Other Updates (??)

Team Land Records

Updates (??)

Team Province

Provincial Working Group / ICF Retirement: Completed Owner Type alignment analysis and finalizing new labels for “None” & “Unknown”. “ICF-Like” data model container populated by ParcelMap BC definition under development. Updated [ICF Status](#) published. *We're getting close!*

Other Updates (??)

Adopter Dashboard: February 28th 2022 Footprint

Current Adopters (94):

NEW Local Governments

NEW Other Adopters

Regional District of Kootenay Boundary

Pacific Northern Gas

Village of Midway

Village of Montrose

Village of Warfield

Corporation of the Village of Fruitvale

City of Greenwood

Northern Rockies Regional Municipality

Summary of AWG Activities and Achievements

A Recap of the last 3 years (*32 working sessions!*) of the AWG

Progress against the Strategic Plan

Outcomes of the Activities

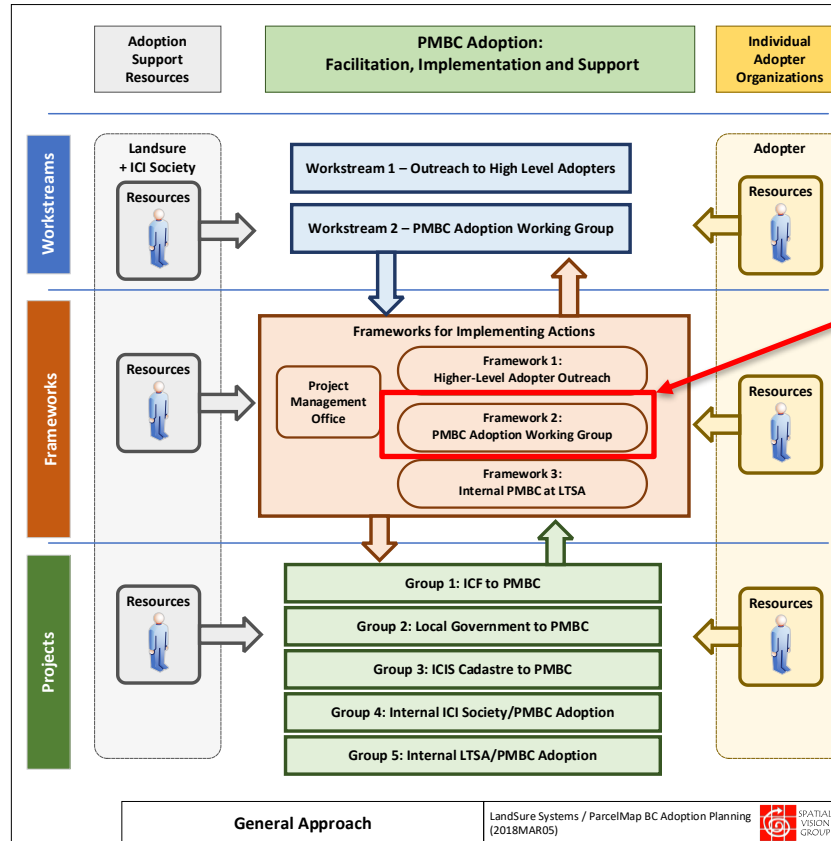

What's Next?

Background – ParcelMap BC Adoption Strategic Plan

- “Strategic Plan for Adoption of ParcelMap BC by Participating Stakeholders” completed in 2018.
- Jointly Prepared by the LTSA and ICI Society
- The plan included a General Approach comprised of **Workstreams, Frameworks** and **Projects** addressing all **5 (6...) Adopter Groups**.

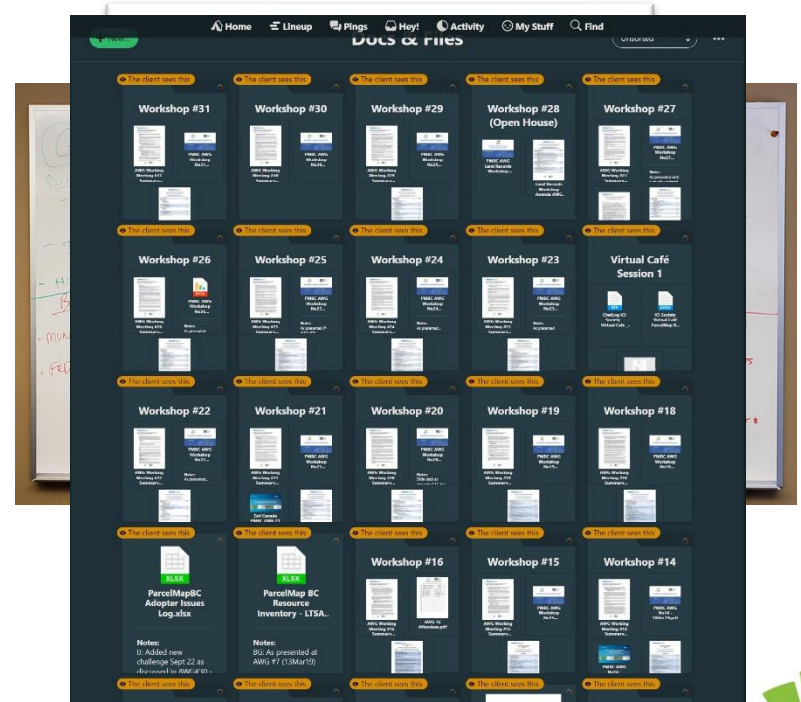

Background – Adoption Strategy General Approach

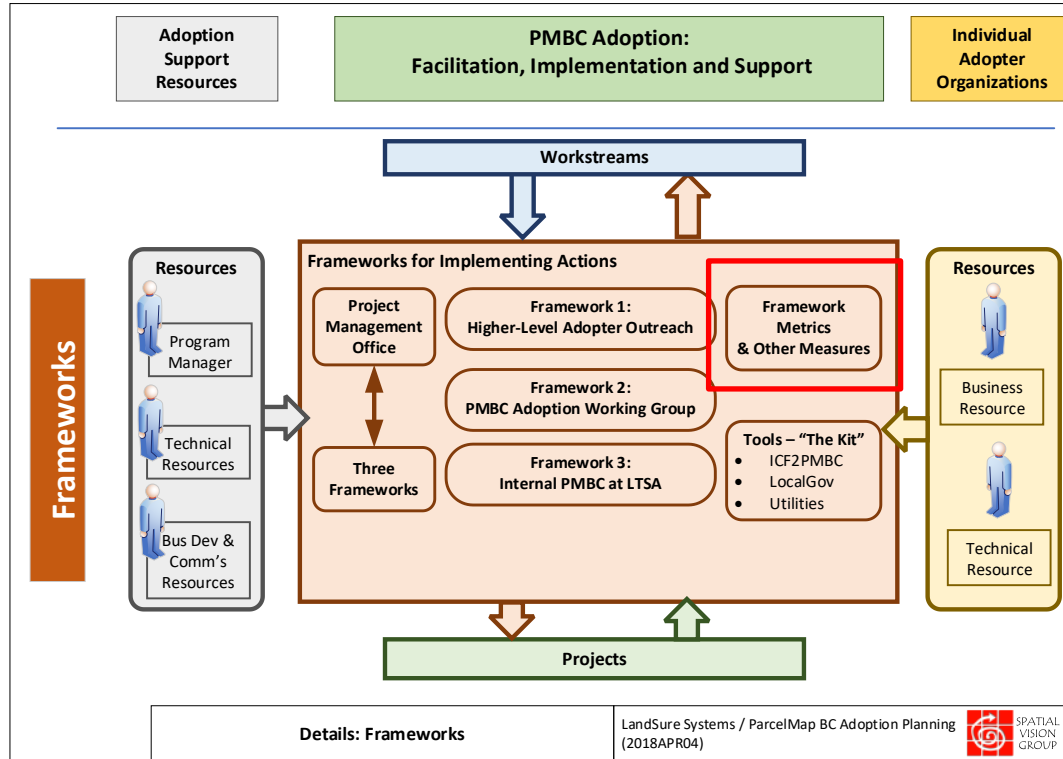

We are here

Adoption Working Group Key Facts

- AWG Terms of Reference developed – 19 Participants, 8 Facilitators
- First AWG Working meeting held September 19, 2018
 - In person – Vancouver & Victoria
- 32 AWG Working meetings held to date (including this one)
- Evolving membership, but many have been here “through it all”

Adoption Strategy Frameworks – Metrics & Measures

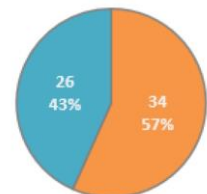

Framework Metrics – AWG Issues Log

Quick facts:

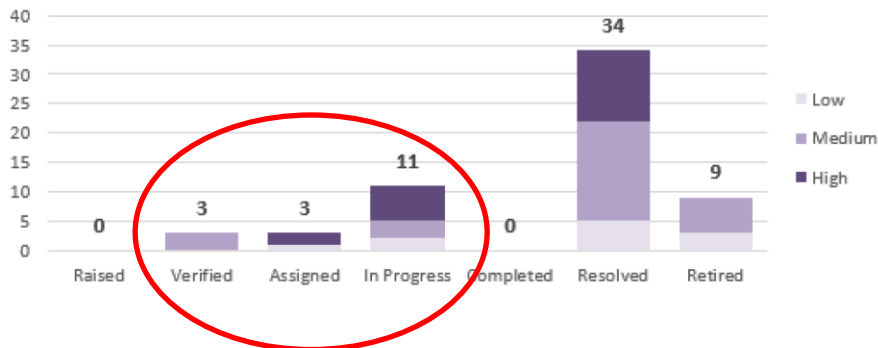

- 61 Issues logged / tracked since September 2018
- 43 Issues either “Resolved” or “Retired” to date
- 17 remaining active Issues are inputs to LTSA’s Products & Services road map

Adopter Issues Summary

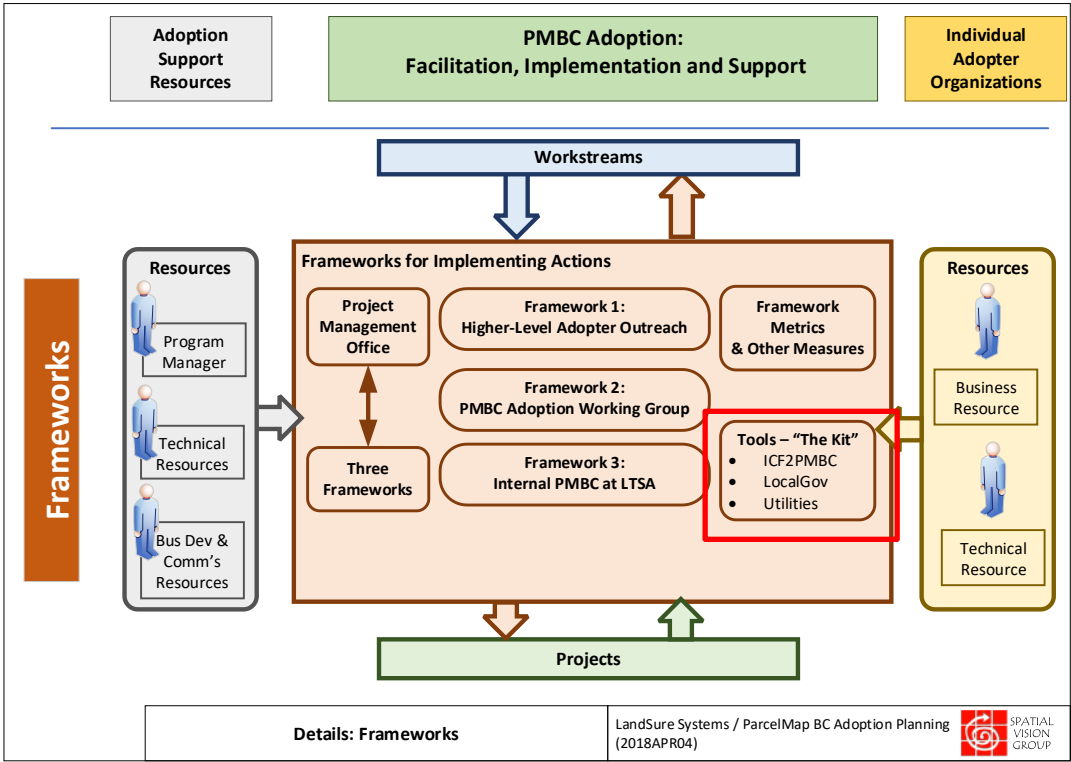

Opportunities Challenges

Status Breakdown of Issues (AWG Review)

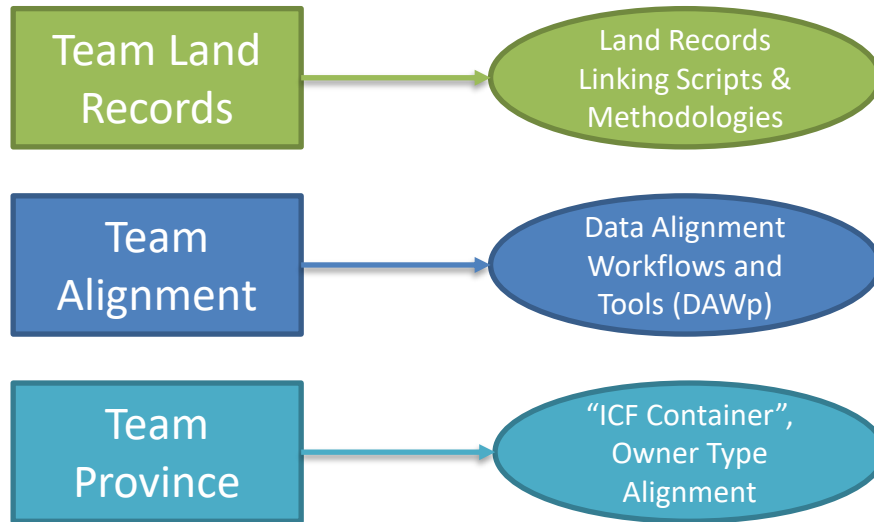

Adoption Strategy Frameworks – Tools & Resources (“The Kit”)

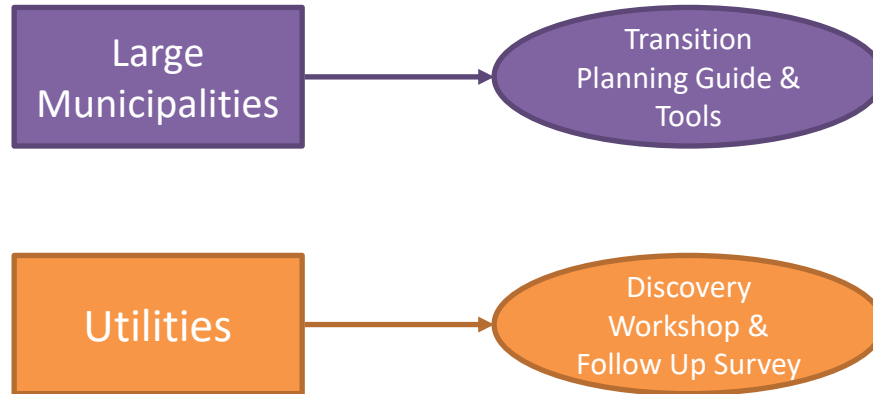

Adoption Working Group Sub-teams

Sub-teams formed to help address specific areas of challenges & opportunities documented in the Issues Log with Tools & Resources (“kits”):

Adoption Working Group Focus Groups

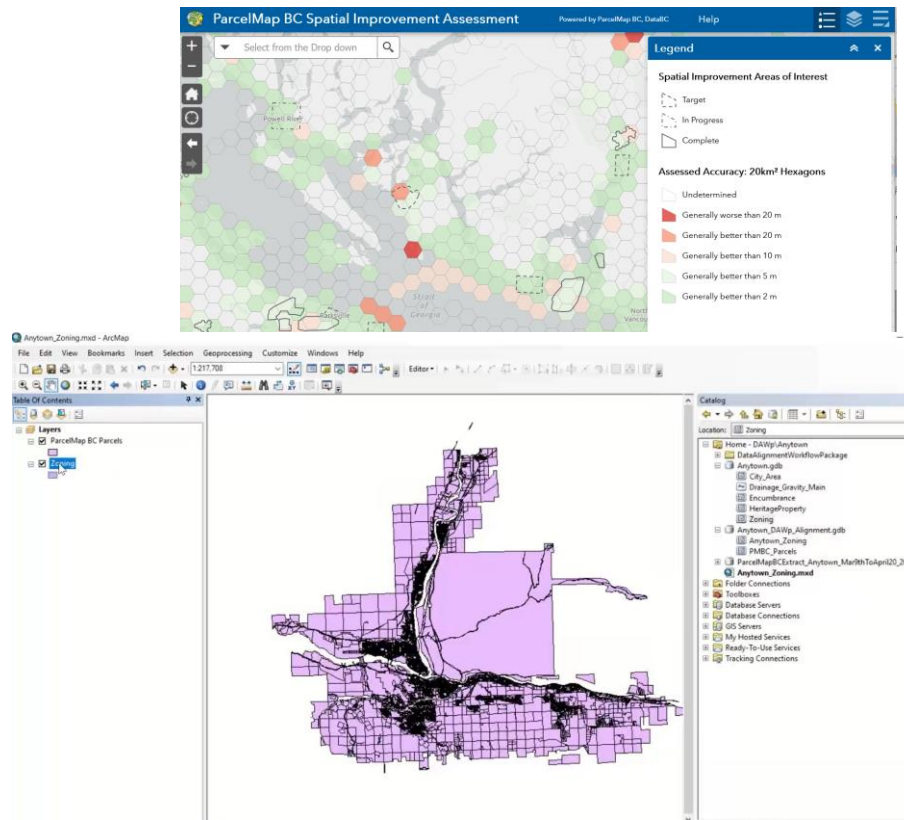

Focus Groups formed to help identify and address specific challenges & opportunities related to similar members of the Adopter Community with Tools & Resources (“kits”):

Key Achievements – Adoption “kits”

The work of the AWG has contributed to developing the following Adoption Tools & Resources:

- Spatial Improvement Assessment Application
- Data Alignment Workflow package (DAWp)

Key Achievements – Adoption “kits”

The work of the AWG has contributed to the following Adoption Tools & Resources:

- LTSA Help Web site
- Transition Planning Resources
- Land Records Integration Tools
- ICI Society Collaboration Portal

ParalelMap BC Resources

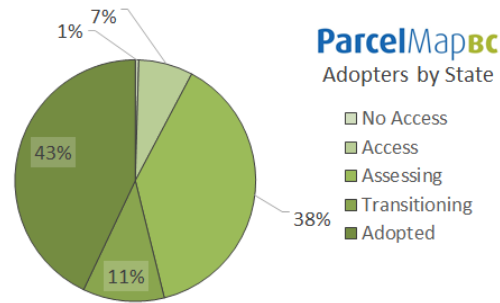

Key Achievements – Workshops Addressing AWG Issues

Topic	Date
360 Labs & Virtual Cafes on ParcelMap BC Topics	9 events in 2019-2020
Land Records Integration Workshop	May 19, 2021
Deep Dive into the ParcelMap BC Spatial Alignment Resources	June 24, 2021
Planning your Transition to ParcelMap BC: Virtual Café	October 20, 2021
Provincial Focus Group / ICF Retirement Workshop	November 10, 2021
Making the Most of Survey Parcel Data: Best Practices Workshop	November 17, 2021
BC Utilities Focus Group: Discovery Workshop	December 15, 2021
Highways and Roads in ParcelMap BC	February 3, 2022
Unpacking Temporal Changes Resources	March 2, 2022
Interest Parcels in ParcelMap BC	April 6, 2022

Adoption Metrics: Forecast vs. Actuals (*How have we done so far?*)

Adopter Groups by State	No Access	Access	Assessing	Transitioning	Adopted	Total
Local Governments using ICF	0	1	17	5	49	72
Provincial Groups using ICF	0	0	2	4	2	8
Local Governments who Self Maintain	1	14	60	11	33	119
Parcel Consumers using ICIS Cadastre	0	1	5	2	8	16
ICI Society (Internal)	0	0	0	2	0	2
LTSA (Internal Use)	0	0	0	0	2	2
	1	16	84	24	94	219

innovation. | integrity. | trust.

What's Next for the AWG?

Role of AWG Participants

- Assist in triage of new issues raised through customer channels
- Provide direction for future workshops & resource developments
- Promote key achievements within your own organisations and to peers
- Contribute actively to community discussions and initiatives

Adopt new approach to meetings

- Quarterly meetings and shorter, focused agenda

Continue to work toward resolution of remaining Issues

- Issues Log will be “parked” (no longer the focus as it has been static)
- Key Issues are inputs to LTSA's Products & Services road map
- *“over to you Brian...”*

Role of AWG & the Road Ahead

Role of the AWG

- Consent Agenda, Participant Contribution & Inputs
- Ideas / Priorities for Future AWG Activities
- Interest in helping in coordination / participation
- Opening all AWG resources to the general community

AWG Issues are inputs to LTSA's Products & Services Roadmap

- Priority Issues drive the focus of the roadmap
- Alignment with broader customer-segment driven priorities
- ParcelMap BC anchors many new product & service initiatives...
- (... *plus, original ParcelMap BC services are no longer "spring chickens"!*)

GSS Portfolio: Product Sustainment & New Initiatives

Key Activities:

Team now has 2 Product Owners!!!

Portfolio responsibilities split across 2 core product lines

New epic-based roadmapping & reporting (incl. capacity allocation & prioritization) starting next month!

Core Customer Applications (PFM, PMSS, PMD & SPS)

ATM Breakout for GSS is complete!!!! In PROD with 22.3.1 on March 6th – Opens up the Sustainment backlog...

Roadmaps & sprint planning to start dedicating minimum Dev capacity to “Sustainment” – 20% target

ArcGIS Pro Migration (“PFM Modernization”) – Scoping project completing and planning for prototype in development

COMPASS 1.1 -- Phase 2 enhancements in Development

ParcelMap BC Enhancements (i.e. Data Product Enhancements)

Titled Roads back-capture project

Progressing well and forecast completion FY22/23 – Approximately 75% complete of ~32000 PIDs

Highways Records Mapping (Project with MoTI)

Extended for FY 22/23. New WebApp to facilitate triage. Exploring an index map approach to get more value sooner!

Interest Parcel Submission Program (aka Historic Interests Intake PoC with Kamloops)

PoC compete, specifications underway to Dev into an operational program. Workshop on Interest Parcels on April 6th

Addition of Vertical Benchmarks as new control type in ParcelMap BC Control Points

Specifications complete and readying for Dev now that GSS ATM Breakout essentially done – targeting May release

Owner Type re-labeling for “None” and “Unknown” types

Driven by Province for ICF Retirement – Finalizing labels with GeoBC. Specs ready & Dev on standby...

GSS Portfolio: Product Sustainment & New Initiatives

Key Activities:

Spatial Improvement Assessment (SIA) application

Roadmapping some significant enhancements for Summer/Fall while maintain monthly publication of fresh assessments

Data Alignment Workflow package (DAWp) tools

Engaged Esri Canada to support GeoBC with ABMS alignment pilot & other province-wide scope operationalization

Additional enhancements proposed but in backlog pending customer feedback

Survey Plan Services Modernization

Step 1: Plan Submission Alignment – Dev underway on Release 1 iteration for Plan Workspace v1.0 release Fall 2022

Step 2: Proposed Parcels – Work starting Fall 2022 on solutioning (working dependencies with PFM Modernization and UPI!)

First Nations National Land Registry (with the Lands Advisory Board)

A new land registry for Framework Agreement First Nations – Proposal complete and now in detailed Solution Definition

Plan Preview service

Working with Policy (define permitted uses) and Statutory (support internal records access) to define requirements for a modernized service

Future Sessions: Next AWG Meeting

Quarterly Session – Next due in June or July:

Proposed Date: June 15th 2022
New Time: 1:00p – 2:00p

Compressed 1hr Agenda focused on the new approach:

1. Take attendance & Approve Agenda
2. Review & Approve past session summary / minutes
3. Review any Action Items
4. AWG Roundtable
 - a. Participants: Updates & Insights
 - b. Facilitators: Updates & Call for Support
5. Action Setting: Assign objectives & expectations for the next quarter
6. Next Session Date & Adjourn...

A call for Participant Items (Updates & Insights) will go out 2 weeks prior!
